

Solway Yacht Club

Dear Member,

Application for Over Wintering of Cruisers and Boats on SYC Premises

Further to the above, if you wish to register please complete the Form below. This will assist the pier master with the organisation of winter parking and ensure we have space for all those who apply. Regular users of this facility will be given priority.

Members Name
Telephone No
Email address
Boat Name:
Length:
Beam:
Keel Type:

Please indicate your choice of location by ticking the appropriate box:-
Behind Club House (On Trailer)
On Pier Head (Hard Standing on keels)

Please forward the form together with a copy of your third party insurance to the Cruising Secretary at Solway Yacht Club, The Clubhouse, Kippford, Dalbeattie DG5 4LL.

Please also note that all trailers must carry their boat's name.

Regards

Fiona McCulloch
Hon. Secretary.

Boat Parking and Storage

Due to a growing demand for the use of the Club's hard standing areas your committee are having to introduce some regulation to the issue, these briefly are: -

Trailer Identification:

To assist the committee in identifying trailers and launching trolleys (including dinghies and tenders) please have your boat name clearly marked on them.

Summer Trailer Parking:

Cruiser owners should ensure that all trailers are removed from the pier head to the rear of the Yacht Club and parked in a tidy and considerate manner for the duration of the sailing season.

Trailer-Day-Sailors & Motorboats without permanent parking on the pier head should store their trailers neatly on the hard standing behind the small car park whilst the boats are in use.

Craning Out and Winter Boat Parking:

Applications must be made in writing to the club secretary for boat craning and winter boat parking regardless of whether or not you already use this facility - consideration will be given to existing users.

Application forms will be sent by email or postage to existing users in good time and are available on the download page of the club web site. Payment will continue to be made with membership renewal - in arrears.

The committee will allocate the winter parking to make best use of the hard standing areas. Please note that once laid-up for the winter you may be blocked in by other boats.

Third Party Insurance:

Owners who intend to park their boats on any club premises are required to provide their up to date insurance for inspection, prior to winter parking.

A copy will be retained for our records by the club secretary.

A minimum of three million pounds third party insurance is required. (This is normally the standard third party cover on small boat/marine insurances).
