Title: Bathymetric Survey Operations		
For enquiries regarding this NTM contact: robinriggcontrol@rwe.com 01228 235401		
<p>To Authorities, Owners, Ships Agents, Masters, Pilots and Fishermen:</p> <p>This notice is to advise that the 14m catamaran survey vessel ‘Vanishing Point’ (Call Sign MAMU2) shall be undertaking seabed bathymetric survey works within, and in the vicinity of, Robin Rigg Offshore Windfarm.</p> <p>The Vanishing Point will be following pre-determined transect lines while using highly sensitive Multi Beam Echo Sounding equipment. A wide berth, of at least 500 meters, is requested at all times whenever the vessel is on site, passing vessels are requested to reduce speed if possible.</p> <p>Surveying works are expected to commence on the 8th April 2025 and continue until May, weather dependent.</p> <p><u>Vanishing Point can be contacted either directly via standard VHF operating frequencies (Ch16 & 12), or via the Robin Rigg Control Room on the above number.</u></p> <p>An images of the vessel can be found on the following page for reference.</p> <p>Distribution:</p> <p>As per Robin Rigg Notice To Mariners Distribution List. Please feel free to share this information.</p>		

Vanishing Point:
